PRESIDENT

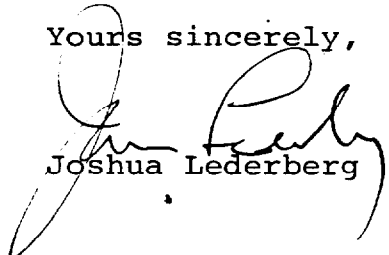

Mr. Richard R. Wojcik
The News World
401 Fifth Avenue
New York, New York 10016

Dear Mr. Wojcik:

Your inquiry about a possible interview for The News World is much appreciated.

I regret, however, that I am inundated with a multitude of tasks, in and out of the University, to an extent that precludes a session of the range and complexity that befits your needs.

Yours sincerely,

Joshua Lederberg
